

135th Annual Session
South Dakota Dental Association

BUILDING RESILIENCY AS YOUR WORLD TURNS

Sioux Falls, South Dakota
May 17-19, 2018

RULES, GENERAL INFORMATION & SPECIAL EVENTS

ADMISSION TO EVENTS

Attendees must wear a convention badge for admission to SDDA continuing education courses, business meetings, and the exhibits. Attendance of social events and SDDA continuing education programs requires pre-registration prior to Annual Session.

REGISTRATION

You can pre-register on-line at www.sddental.org (VISA or MasterCard) or fill out the registration form and mail with payment to the SDDA.

Why register early? Space limitations may mean that CE courses will be full. Also, tickets for some social events will not be sold on-site. The convention center requires guaranteed attendance for all meal functions two days prior to the function.

NOTE: A \$25 fee will be assessed to those who register on-site. If you plan to register on-site, please allow ample time to complete the registration process before your seminar is scheduled to begin.

REGISTRATION MATERIALS

All pre-registrants will pick up their nametags and function tickets at the registration table. To expedite this process, **pre-registration is strongly encouraged!**

CLASSROOM COMFORT

You may find the temperature in lecture rooms and the exhibit hall “too hot” or “too cold” for comfort. Try as we might, we can’t guarantee the temperature will be “just right” for everyone, so please come prepared: dress in layers and bring a sweater or light jacket to the meeting.

ACCOMMODATIONS

A block of rooms has been reserved for SDDA Annual Session participants at \$119 single or double occupancy for a standard room. The block of rooms will be held until **April 18, 2018**. Make reservations by contacting the Sheraton at 605-331-0100 and ask for the SD Dental Association room block.

REFUND POLICY

A **\$25** administrative processing fee will be charged on all cancellations.

CLINICIAN/COURSE HANDOUTS

Course handouts will NOT be available at the sessions. Handouts are available to print by going to: www.sddental.org/Meetings & Events/SDDA Annual Session/CE Speakers.

SUPPORT OUR EXHIBITORS

Our exhibitors invest extensive resources to attend our meeting. We ask that an extra effort be made to purchase needed supplies and services from them at the meeting.

NEW DENTISTS LUNCH FORUM

Thursday, May 17, 2018, 11:30 am - 1:30 pm

If you’ve been practicing in South Dakota fewer than five years, make plans to attend this Lunch Forum as a guest of the ICD and Professional Insurers. A panel of “seasoned” dentists will be on hand for Q&A regarding staffing, fees and insurance. All dentists and their spouses are welcome to attend.

EXHIBITORS RECEPTION

Thursday, May 17, 2018, 3:00 pm - 6:00 pm

This event provides dentists and their staff with valuable face-to-face time with exhibitors to discuss their latest products and services in a relaxed environment. Light appetizers and beverages will be available.

NEW DENTISTS RECEPTION

Thursday, May 17, 2018, 5:00 pm - 6:00 pm

Wells Fargo is sponsoring this reception for dentists practicing in South Dakota fewer than five years. All dentists and their spouses are welcome to attend.

SDDA SOCIAL

“ALICE IN WONDERLAND” THEME

Friday, May 18, 2018, 6:30 pm - 11:00 pm

Come enjoy dinner and entertainment from “The Confidentials” band. Prizes will be awarded for best costumes. The SD Dental Foundation will once again be conducting their Chinese Raffle. Lots of fun prizes to be had!

SDDA AWARDS LUNCHEON

Saturday, May 19, 2018, 11:30 am - 1:30 pm

Join your colleagues in tribute to 2018 Honored Guest Dr. Roger Wilson and other award recipients: Humanitarian, Dr. Robert Hille; Young Dentist, Dr. Jaclyn Schuler; Distinguished Service, Dr. Thomas Kassube; Commendation, Mr. Brad Bauer; and, Honorary Member, Ms. Pat Dicus.

CE - THURSDAY, MAY 17 and FRIDAY, MAY 18, 2018

Thursday

MR. JUDSON LAIPPLY

8:00 am to 9:00 am

KEYNOTE ADDRESS

"Life is Change"

CE Hours: 1 Practice Management

Support provided by Dacotah Bank.

Judson's stories, personal experiences, crowd participation, high energy, and laughter help people recognize how to let go of the things out of their control, and focus their energies on things they can change.

9:30 am to 11:30 am

"Brains, Bias and Behavior"

CE Hours: 2 Practice Management

Do you know why you act the way you do? Are some of your subconscious biases keeping you from being the best person you can be? Are some of them keeping you from giving the best service possible to your patients? In this session, you will gain insight into your biases and others and how they are formed. How they affect your daily interactions with both patients and coworkers. How our brains process information and what we can do to keep our biases from influencing our interactions. Drawing from the latest research in neurology, sociology and psychology this session will have direct impact on your daily life.

1:00 pm to 4:00 pm

"Selling Sand in the Desert"

CE Hours: 2 Practice Management

With the world moving as fast as it does marketing has become the engine that drives business. Selling is an extremely important topic for anything. Whether you are selling a product, a program, a person, or even yourself there are things that can give you the competitive edge. This discussion of branding, tag lining, and triggers will give you a better understanding of marketing and help you to gain an advantage in what you have to sell.

DR. CURT RINGHOFER

9:30 am to 12:00 pm and 1:00 pm to 4:00 pm

"A New Perspective on the Connection

Between the Airway and TM Joint"

CE Hours: 5.5 Clinical

Attendees will learn: The terminology needed to start treating airway-disordered breathing; Why a sleep screening device is a valuable tool to have in the office; How to identify structural changes in the TM joint and how they affect the airway and restorative treatment plans; The risks and benefits of CPAP compared to a mandibular advancement device; and, How to decrease the risk of occlusal changes with the use of a Mandibular Advancement Device.

Friday

DR. RAYMOND YUKNA

8:00 am to 12:00 pm and 1:00 pm to 4:00 pm

"Lasers in Everyday Dentistry"

CE Hours: 7 University/Clinical

Support provided by SD Dental Foundation.

Learning objectives: Familiarize clinicians with laser types and various wavelengths; Describe laser-tissue interactions and how different lasers affect different tissues; List the advantages and disadvantages of laser use; Identify clinic situations where lasers would be useful; and, Identify potential limitations for laser use in dentistry.

MS. KAREN DAW

8:00 am to 11:30 am

"2018 Annual OSHA & Infection Control Training"

CE Hours: 3.5 Clinical

Support provided by SD Board of Dentistry. Attendance is free to all licensees of the SD Board of Dentistry.

Attendees will learn: The top 10 OSHA dental citations and how to avoid them; Training elements of OSHA's Bloodborne Pathogens Standard and how it intersects with CDC Infection Control guidelines; How to conduct a Personal Protective Equipment assessment with a mask fitting demonstration; Contents of an Exposure Control Plan and Post Exposure Protocol as the heart of the OSHA binder; and, How to test and maintain dental unit waterlines.

12:30 pm to 1:30 pm

"Conflict Management: Having the Difficult Conversation"

CE Hours: 1 Practice Management

This one-hour presentation includes a very basic DiSC assessment. DiSC is the leading personal assessment tool used by over one million people every year to improve work productivity, teamwork, and communication. Also discussed is a how-to on having difficult conversations whether you are patients, coworkers or the employee/boss. The goal is to give people the tools they need to communicate more efficiently overall within the dental setting.

DR. PAUL MOORE

8:30 am to 12:00 pm

"Safe and Responsible Pain Management in Dentistry"

CE Hours: 3.5 University/Clinical

Support provided by SD Department of Health.

Learning objectives: Understand the history and current status of opioid misuse, abuse and addiction; Explain the rationale for combining the two peripherally-acting analgesics acetaminophen and ibuprofen; and, Understand the importance of recent changes made in opioid/acetaminophen formulations such as Vicodin®.

CE - FRIDAY, MAY 18 & SATURDAY, MAY 19, 2018

Friday, cont.

MS. JEAN BENDER, MS. ANNIE HOFFMAN & MR. MATHEW MILLER

1:00 pm to 2:30 pm

"Identifying and Preventing Employee Theft and What to do When Theft Occurs"

CE Hours: 1.5 Practice Management

Employee theft, fraud, and diversion are ongoing concerns for any small business. This course will cover: Popular schemes that employees use to steal or divert money, drugs, supplies, or other items of value; Types of internal and external controls that employers should have in place to provide oversight for employees within all levels of the business; Inventory checks and other processes that will help prevent or deter theft and uncover even those who start small and work their way up to more lucrative schemes; Detail problematic employee behaviors, so that employers may diagnose and correct the issues early; Discuss how law enforcement helps businesses that become the victims of fraud or theft to seek restitution; Discuss employee handbooks.

MR. KEVIN ATKINS & MR. DAN FRIEDRICH

3:00 pm to 5:00 pm

"Know Your Enemy: Your Responsibilities Under HIPAA"

CE Hours: 2 Practice Management

During this presentation they will discuss current day threats to protected health information and why it's becoming increasingly valuable on the dark web. Additionally, they will touch on your responsibilities under HIPAA.

DR. DENIS MILLER

2:30 pm to 4:30 pm

"Radiology Review 2018"

CE Hours: 2 Radiology

Support provided by Siouxland Oral Surgery

Learning Objectives: Correlate clinical findings with recognition and identification of radiographic information; Review the use of CT scanners and digital impression for dento-alveolar procedures, bone grafting and dental implants.

Saturday

DR. RAYMOND YUKNA

8:00 am to 11:30 am

"Peri-implantitis: Why is it a Problem and How do we Treat It"

CE Hours: 3.5 University/Clinical

Support provided by Millennium Technologies.

Learning objectives: Identify the etiologies of peri-implant diseases; Describe various treatment modalities for peri-implant diseases; List the advantages and disadvantages of laser use around implants; Identify potential limitations for laser use in peri-implant treatment; and, Show examples of periodontitis and peri-implantitis treatment success with lasers.

Saturday, cont.

DR. JEFFREY DEAN & DR. JAY CROSSLAND

8:00 am to 5:00 pm (lunch included)

"Sedation & Anesthesia Monitoring in the Dental Practice"

CE Hours: 8 university/clinical

This course has been approved by the SD Board of Dentistry for the purpose of obtaining a permit to monitor patients under anesthesia or sedation.

****Please note: The cost to attend this session is \$550 per person. It is NOT included with the Annual Session registration fee.**

DR. JAMES SWIFT

8:00 am to 11:30 am

Part 1: *"Medical Emergencies in the Dental Office"*

Part 2: *"Antibiotics & Analgesics for Oral Surgery"*

CE Hours: 3 University/Clinical

Support provided by Delta Dental of SD

Part 1: Includes commonly encountered challenges in the dental environment. CPR, delivery of medical emergency medications and protocols, and the use of the AED will be stressed.

Part 2: Antibiotics and analgesics, specifically analgesics with opioids, are sometimes over prescribed by oral health care providers. Although correct protocols were described over a decade ago, clinicians have been slow to incorporate contemporary and effective use. Current practical algorithms will be presented.

1:00 pm to 4:00 pm

Part 1: *"Discussion of When, Why and How of Wisdom Teeth"*

Part 2: *"Coronectomies, Socket Preservation & Other Procedures"*

CE Hours: 3 University/Clinical

Support provided by Delta Dental of SD

Part 1: How does the oral health care provider counsel patients on the retention versus the removal of third molars? Many practitioners have adopted protocols based on many ideas and suggestions. Predictive analytics are used to determine decisions regarding treatment.

Part 2: A brief review of currently introduced or re-introduced procedures that have many alternative uses but may not be uniformly prescribed.

MUTUAL ASSISTANCE AGREEMENTS PANEL

8:30 am to 11:30 am

CE Hours: 3 practice management
