

# RULES, GENERAL INFORMATION & SPECIAL EVENTS

## ADMISSION TO EVENTS

Attendees must wear a convention badge for admission to SDDA continuing education courses, business meetings, and the exhibits. Attendance of social events and SDDA continuing education programs requires registration prior to attending the event.

## REGISTRATION

You can pre-register on-line by credit card at [www.sddental.org](http://www.sddental.org) (VISA, MasterCard or Am Express) or fill out the registration form and mail with payment to the SDDA.

Why register early? Save \$25; space limitations may mean that CE courses will be full; and, tickets for some social events will not be sold on-site. The civic center requires guaranteed attendance for all meal functions two days prior to the function.

**NOTE: A \$25 fee will be assessed to those who register after the pre-registration deadline and on-site.** If you plan to register on-site, please allow ample time to complete the registration process before your seminar is scheduled to begin.

## REGISTRATION MATERIALS

All pre-registrants will pick up their nametags and function tickets at the registration table. To expedite this process, **pre-registration is strongly encouraged!**

## CLASSROOM COMFORT

You may find the temperature in lecture rooms and the exhibit hall "too hot" or "too cold" for comfort. Try as we might, we can't guarantee the temperature will be "just right" for everyone, so please come prepared: dress in layers and bring a sweater or light jacket to the meeting.

## ACCOMMODATIONS

A block of rooms has been reserved for SDDA Annual Session participants at \$104 single or double occupancy for a standard room. The block of rooms will be held until **April 15, 2019**. Make reservations by contacting the Holiday Inn at 605-348-4000 and ask for the SD Dental Association room block.

## CANCELLATION/CHANGES POLICY

A **\$25** administrative processing fee will be charged on all changes to the original registration and/or cancellations.

## CLINICIAN/COURSE HANDOUTS

Course handouts will NOT be available at the sessions. Handouts are available to print (if provided by clinician) by going to: [www.sddental.org/meetings-events/sdda-annual-session/ce-speakers](http://www.sddental.org/meetings-events/sdda-annual-session/ce-speakers).

## NEW DENTISTS LUNCH FORUM

# CE - FRIDAY, MAY 17 & SATURDAY, MAY 18, 2019

## Friday, cont.

### DR. BETHANY VALACHI

**8:00 am to 11:30 am**

***"Neck, Back & Beyond"***

CE Hours: 3.5 Practice Management

*Support provided by Delta Dental Foundation and SurgiTel.*

In this lecture, Dr. Valachi combines 20 years of dental ergonomic experience with her doctorate research to teach truly effective strategies in the operatory to prevent pain and ensure career longevity. Through engaging demonstrations, you will discover powerful evidence-based strategies they can easily apply in the operatory: equipment selection and adjustment, patient positioning, body mechanics, lighting and other factors.

**1:00 pm to 4:00 pm**

***"Fitness 101 for Dental Professionals"***

CE Hours: 3 Practice Management

*Support provided by Delta Dental Foundation and SurgiTel.*

In this seminar, Dr. Valachi introduces a special system of evidence-based exercise, pain therapy, self-treatment and stress management interventions to help dental professionals take control of their own health and extend their careers. Attendees will actively participate in this dynamic seminar and discover muscle imbalances to which they are uniquely prone in the routines that aren't a problem for the general public. Discover how to release painful accumulated tension in muscles with easy self-treatment strategies.

### DR. FRANCIS SERIO

**9:00 am to 12:00 pm**

***"International Volunteer Dental Projects: What's it all About Anyway?"***

CE Hours: 3 Practice Management

This course is designed for dentists, dental assistants, hygienists, and other interested parties who want to learn more about the nuts and bolts of volunteering around the world or around the block. It will also be useful for those with some volunteering experience looking for new ideas or just validation of what they are doing.

## Saturday

### MS. KAREN DAW

**8:00 am to 10:30 am**

***"2019 Annual OSHA & Infection Control Training"***

CE Hours: 2.5 Clinical

*The honorarium for Ms. Daw is being funded by the SD Board of Dentistry. This course is open to all dental professionals free of charge. The content and opinions expressed during this course do not necessarily reflect the views of nor are they endorsed by the SD Board of Dentistry.*

Attendees will learn: The top 10 OSHA dental citations and how to avoid them; Training elements of OSHA's Bloodborne Pathogens Standard and how it intersects with CDC Infection Control guidelines; How to conduct a Personal Protective Equipment assessment with a mask fitting demonstration; Contents of an Exposure Control Plan and Post Exposure Protocol as the heart of the OSHA binder; and, How to test and maintain dental unit waterlines.

## Saturday, cont.

### MS. KAREN DAW

**11:00 am to 12:00 pm**

***"Conflict Management: Having the Difficult Conversation"***

CE Hours: 1 Practice Management

This one-hour presentation includes a very basic DiSC assessment. DiSC is the leading personal assessment tool used by over one million people every year to improve work productivity, teamwork, and communication. Also discussed is a how-to on having difficult conversations whether you are patients, co-workers or the employee/boss. The goal is to give people the tools they need to communicate more efficiently overall within the dental setting.

### DR. THOMAS VAN DYKE

**8:00 am to 11:30 am**

***"Precision Medicine and the Perio/Systemic Link"***

CE Hours: 3.5 Academic/Clinical

*Support provided by Delta Dental Foundation.*

At the end of this course, attendees should be able to: Understand the relationship between bacteria, inflammation and bone loss in periodontitis; Understand the biologic basis of the relationship between periodontitis and systemic disease; Develop a working knowledge of how diseases of aging modify treatment of periodontitis; Discuss potential modifications of treatment regimens for the patient with periodontitis to control inflammation, prevent further damage and achieve periodontal regeneration; Answer the question, "will active pharmacologic control of inflammation in the clinic ever be realized?"

### DR. THOMAS VIOLA

**8:00 am to 11:30 am**

***"Pharmacology Declassified"***

CE Hours: 3.5 Academic/Clinical

*Support provided by Colgate.*

Learning objectives: Describe the pharmacology of analgesics and appropriate prescribing practices for the management of acute dental pain; Discuss local anesthetic agents with respect to their mechanism of action and clinical dental considerations; Examine the pharmacology of anti-infective agents commonly used in dentistry and indications for use, adverse effects, drug interactions and contraindications; Identify the prescription medications most frequently encountered on a patient's medical history and potential impact on dental therapy and patient care planning; Discover the non-prescription medications most often used by dental patients and dental considerations of these agents, including potential impact on dental therapy.

### DR. JEFFREY DEAN & DR. JAY CROSSLAND

**8:00 am to 5:00 pm (lunch included)**

***"Sedation & Anesthesia Monitoring in the Dental Practice"***

CE Hours: 8 Academic/Clinical

This course has been approved by the SD Board of Dentistry for the purpose of obtaining a permit to monitor patients under anesthesia or sedation.

**\*\*Please note: The cost to attend this session is \$550 per person. It is NOT included with the Annual Session registration fee.**
