

This is information you may have already received, but there are a couple of deadlines approaching and you may not have a second opportunity to apply:

HRSA is providing **Medicaid Provider** Relief funding. Go to this site hosted by HRSA:

<https://www.hhs.gov/coronavirus/cares-act-provider-relief-fund/faqs/index.html#medicaid-targeted>

According to HRSA, the payment to each provider will be at least 2 percent of reported gross revenue from patient care; the final amount each provider receives will be determined after the data is submitted, including information about the number of Medicaid patients providers serve. A fact sheet about the program and how to apply is attached. The deadline is July 20, 2020.

Additionally, HRSA is providing payments to dental offices that are **not** Medicaid providers. Go to this portal to apply: <https://cares.linkhealth.com/#/>. The deadline is July 24, 2020.

Last week the ADA distributed a suite of tools designed to support members in communicating with patients about what to expect when they return for a dental visit. Review and download all the resources at:
