

In order to accurately bring our message to policy makers, vendors and the public, we will need good information about the impact of the coronavirus pandemic on our members and their practices. Please take two minutes to complete this survey: (this was emailed out to members). Please note that the ADA is also beginning to track impact data nationally.

The ADA is providing a valuable webinar for all members on Wednesday, March 25, 2020. Big Buzz CEO Wendy O'Donovan Phillips will discuss how to predict short- and long-term impacts on your business operations during tough economic times and how to minimize your risk. Tools will be available after the webinar to provide team-wide focus and clarity during uncertain times. The free webinar will be streamed live Wednesday at 1 p.m. CT. An on-demand version, along with shorter clips for quick answers, will be live on ADA.org within 48 hours of the live discussion. 1 hour CERP CE Pending. **Register today and share your thoughts.**

The SDDA will be offering CE online each week over the course of the next several weeks. So stay tuned for more on that.
