

Dentistry IN SOUTH DAKOTA

Allied Staff News

St. Francis Mission Dental Clinic Quarterly Update Marty Jones, RDH, St. Francis Mission Dental Clinic Program Director

St. Francis Mission Dental Clinic had a busy Spring. In March, we hosted both Creighton and the University of Indiana Dental Students. During the two weeks of student clinics, they provided \$65,019 in billable services.

Dr. Brenon Farmer and his staff provided two full days of endodontic and hygiene services in March. Their total production for the two days was \$11,837, providing nine root canals, four pulpal debridgements and the numerous restorative and hygiene services.

Drs. Jeff Feiock, Michelle Hofer, Marty Oleson, Tom Hajek, Lennard Hopper and Hilary Haley provided two days of clinic with support staff on April 7th and 8th. Providing \$14,435 in billable services.

In May, we hosted Dr. Susi (Miriam) Fallahzadeh and her assistant from Paris, Kentucky with Kalee AbuGhazaleh, hygienist from Sioux Falls the 10th-12th. The billable production \$19,327 for three days.

May 24th-26th Dr. Karen Rethmeyer from Kansas City, MO provided her services with the billable production of \$7,890. In addition to her clinical services her husband Steve, an engineer, helped out immensely by providing on site equipment repairs.

Our summer will be busy! We are hosting USD Dental Hygiene students the first three weeks in June. Dr. Cheri Basco from State College, Pennsylvania will be here the third week of the USD rotations. Ms. Jackie Johnson will be volunteering her time here all three weeks for dental hygiene supervision.

University of Indiana will be here two full weeks this Summer. The last full week in June and the first week of July.

This will be our first year hosting a UNMC dental student. They will be here three full weeks in July with Drs. Mark Kampfe, Nathan Schwandt, and Grant Titze providing supervision, each taking one-week rotations.

Creighton University will be on site in July for a week. During that time there will be an overlap with UNMC and Creighton and we are attempting to coordinate a community-based event for both programs to work together in an activity, which will be at the SFMD clinic.

SFMD will be hosting the Delta Dental Mobile program the last week in July on site in St. Francis. Dr. Monty Bechtold and staff and Dr. Larry Green have both committed to providing services for three days that week.

I was humbled to be recognized as an Honorary Member of the SDDA. I would like to acknowledge the SD Board of Dentistry, Delta Dental, SD Dental Foundation and the SD Dental Association who have all provided their support and commitment to our Dental Program to make this clinic successful. It is their efforts and support that keep me motivated and inspired to continue to improve our program. Thank you.

We will be losing Father John Hatcher, S.J., President of St. Francis Mission. Father Hatcher was instrumental in the development and support of our dental clinic. He has been here as President in St. Francis for the past 14 years. We will be hosting a retirement dinner here in St. Francis on Monday, July 31st at noon. We welcome and invite all who have met with Father Hatcher to celebrate with us in his upcoming retirement.

134th Annual Session—South Dakota Dental Association

It Takes A Team

Fundraising Results

Thanks to all who contributed to the Foundation/Annual Session fundraisers! Because of you, the Foundation Board was able to contribute to many worthwhile projects.

Email Security Solutions

As an SDDA member, we would like to remind you of the importance of protecting your patients' information when emailing. Failing to comply with HIPAA requirements could result in an immediate financial impact on your practice as well as reputational damage.

In the past the SDDA endorsed Longscope Consulting as a provider of premier email security solutions. Recently, Longscope Consulting was acquired by j2 Global. j2 is a publicly-held, financially stable company with over 20 years of consecutive growth and over 3,000,000 worldwide customers. We are happy to introduce you to j2 Global and their Email Security Distributor, Excel Micro.

SDDA members now have immediate access to the team at Excel Micro that strictly focuses on email security and will be able to provide you with the guidance you may need to ensure you are both encrypting and archiving email to meet HIPAA requirements. For more information on how to protect your email and meet regulatory compliance contact Rick Carr, our dedicated Excel Micro Account Manager @ 877-466-7726 x 6602 or rcarr@excelmicro.com.

SD Academy of General Dentistry offers...

Protecting your patient information is our #1 priority.

Excel Micro is now a proud partner of the **South Dakota Dental Association**, providing HIPAA-compliant email security solutions for dental offices.

Excel Micro is committed to safeguarding your patient health information with:

- EMAIL SECURITY • EMAIL ENCRYPTION • EMAIL ARCHIVING

Make sure that your patient information is secure and that you're doing all you can to protect yourself against financial risk.
